He is a graduate of New York University School of Physical Therapy and has his certification in manual therapy from University of St. Augustine. He is a past president of the Arizona Physical Therapy Association and in 1995 was named Arizona Physical Therapy Association's outstanding physical therapist of the year. He has been actively involved in legislative activities at both the State and National levels for his entire career. He is an active member of the American Academy of Orthopedic Manual Physical Therapists.

**Physical therapist R Scott Ward, PT, PhD**, was elected President of the American Physical Therapy Association (APTA) during PT 2006: The Annual Conference and Exposition of the American Physical Therapy Association held in Orlando, Florida, June 21-24, 2006. Ward succeeds Ben F Massey, Jr, PT, MA and will serve a three-year term as President. Ward is chair of the Division of Physical Therapy at the University of Utah in Salt Lake City. He is also a practicing physical therapist at the University Hospital's Burn Center. The author of numerous published research articles, Ward has been honored with APTA's Lucy Blair Service Award (1999) and the Utah Chapter of APTA's Physical Therapist of the Year Award (1994). He was the 2003 recipient of the Barbara Knothe Burn Therapists Achievement Award from the American Burn Association. An active APTA member since 1980, Ward began serving on the APTA Board of Directors in 2001. He has served as Board Liaison to the Utah, California, Mississippi, Alabama, Alaska, Idaho, and New Mexico Chapters. He has also served as Board Liaison to the Oncology, Acute Care/Hospital Clinical Practice, Research, and Education Sections. Ward was a member of APTA's Advisory Panel on Research; the Annual Conference Program Committee; the Ethics and Judicial Committee, the Clinical Residency and Fellowship Credentialing Committee, and the Board Oversight Committee to APTA's Guide to Physical Therapist Practice and "Hooked on Evidence." Ward also served as President of the Utah Chapter, was a member of the Utah Chapter's Legislative Committee, was a four-time Chief Delegate representing the Utah Chapter to the APTA House of Delegates, among other Chapter leadership positions. Ward also served as Treasurer of the Education Section, and was a member of the Clinical Electrophysiology and Wound Management Sections. He also served as APTA Liaison to the American Burn Association. Ward chairs the Rehabilitation Committee of the American Burn Association and serves on the Rehabilitation Committee of the International Society for Burn Injury. Ward received his PhD degree in physiology in 1994 and his BA degree in physical therapy in 1980, both from the University of Utah.

**Mr. John Xerri de Caro** (Malta) University of Malta and PhD student at the Sheffield Hallam University B.Sc. (Hons) Physiotherapy, Pg. Cert. (Sport Sciences), M.Sc. (Sports Injuries and Therapy); Graduated as a physiotherapist from the University of Malta in 1998 and subsequently completed a Master of Science in Sports Injuries and Therapy from the Manchester Metropolitan University in 2003. Currently reading for a PhD at the Sheffield Hallam University (UK). Following 12 years working with the Department of Health (Malta) as a physiotherapist, the last two of which occupying the post of clinical specialist in oncology and palliative care, John moved into full-time teaching at the University of Malta on the undergraduate degree course in physiotherapy having previously occupied the same on a part-time basis since 2005. Main areas of teaching practice are Sports Injuries, Oncology and Palliative Care, Cardiac Rehabilitation and Clinical development in practice.

Presently a member on the Education Matters Working Group of the ER-WCPT (2010-2012) and the Lifelong Learning Focus Group Leader in ENPHE since 2010. Since 2007 John is also the President of the Malta Association of Physiotherapists. His current research interests evolve around his PhD study that is in the area of Physiotherapy Education, exploring the influences of the Bologna Process on physiotherapy education across Europe.
